

Troubleshooting

EASTBROOKS Ltd INSTRUCTIONS

Care & Maintenance

To maintain the surface finishes, simply wipe occasionally with mild detergent on a soft damp cloth. Dry using a soft damp cloth, never use abrasive cleaners or chemical household cleaners and avoid contact with concentrated bleach.

The products are manufactured to the highest of standards and should require little or no maintenance.

Telephone Helpline:

Should you require any technical help in association with your product please call: 01452 317 890 with your query.
