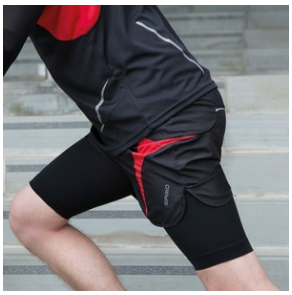
S292X
COMPRESSION QUAD SLEEVES

Supportive tubular compression for the thigh to improve circulation, reduce muscle vibration and help manage soreness and fatigue during or after exercise or long term immobility

Origin: China

Fabric

70% Nylon/30% Elastane



Care Instructions

USP

SPIRO COMPRESSION · QUICKDRI TREATMENT · LIGHTWEIGHT · TAG FREE

Commodity Code: 6115101000

Tech

QuickDri

Features

- QuickDri Treatment for moisture wicking, enhanced evaporation, temperature regulation and odour/friction reduction
- High density construction prevents stiffness, cramp and micro muscle injuries
- 360° seamless compression around quad absorbs 'shockwave' effect on muscles, veins and joints
- Shaped to fit design, supporting the body's natural angles
- Thin and lightweight to maximise heat emission
- Soft and comfortable to wear: easy pull on and off
- Increases circulation and reduces lactic acid build up and muscle fatigue during exercise and running
- Silicon leg grip
- 2 per pack

Decoration Type

Transfer Print
