2-in-1 Petrol Grass and Hedge Trimmer, 34.6cc

STOCK No. 30280 **BRAND** Draper

BARCODE 5059482115165

WARRANTY 12 months parts and labour

FEATURES

- Easy start system
- Split shaft for easy storage and transportation
- Tap'N'Go line feed
- Shoulder strap with quick release

DESCRIPTION

This 2-in-1 petrol garden power tool is equipped with two attachments for different tasks around the garden - grass trimming and hedge cutting. It is powered by a 34.6cc 2-stroke engine with choke and easy start for simple operation. There is a on/off switch with safety throttle lever and lock-on for easier starting. The hedge cutter attachment has 430mm long dual-action blades that are perfect for cutting branches, up to 9mm thick, and tackling hard-to-reach areas. The grass trimmer attachment has a 'Tap'N'Go' line feed, which efficiently cuts through overgrown grass, weeds and light brush. Lightweight for comfortable use, with an adjustable D-type soft grip handle for better control. It has a split-shaft design for convenient storage and transportation. Fitted with a single strap shoulder harness with a quick release mechanism. Compatible with E10 fuel.

CONTENTS

1 x Grass trimmer head
1 x Hedge trimmer blade
1 x Belt
1 x Mixpot
