

PW562 - Cut D13 Nitrile Aqua Glove

Collection: Aqua Gloves

Range: Hand Protection

Materials: HPPE, Polyester, Nylon, Glass Fibre, Elastic, Elastane

Product information

The fully coated Aqua Cut Pro glove offers level D cut resistance. The first coat is a smooth nitrile and the second coat is foam nitrile, providing a secure grip and a barrier against contaminants. Elastic wrist cuff provides a secure fit.

Aqua Gloves

The ultimate barrier to water, liquids and non-aggressive substances. The Aqua range includes both highly water resistant and water proof gloves.

Hand Protection

A wide and increasing range of hand protection products is available. In order to help cater to every need. Only the best materials and manufacturing methods are used in the production of Portwests' extensive range of Hand Protection products....
