Surface/Suspended Luminaire 1200mm DALI Black Opal CRI80 3000K

REF. **86541338-883**

BASIC INFORMATION

DESCRIPTION

Linear surface/suspended luminaire of 1,200mm, in black finish with opal optics and excellent CRI>80 color rendering. Also available in white and in a 4000K version. With 40W of power, it delivers a luminous flux of 3.380 lm, ideal for general lighting in offices, retail spaces, corridors, or residential areas requiring uniform, high-quality light. This fixture is controlled via DALI, a system based on an international standard that ensures full compatibility between different devices through a master-slave protocol. The DALI logo indicates that the product relies on this system for its control.

Regarding its lifespan, it's worth noting that it reaches 50,000 hours (L70B10), so if kept within an average range of -20ºC to +35ºC, the fixture should last considerably longer, and in perfect condition. Its dimensions are 1135x50x75mm, made of aluminum with IP40 protection, suitable for indoor use.

This product has the following reference number: 86541338-883. Here you can find all its features in terms of logistics data, installation manuals, technical information, and other product details.
