Frame for surface or flush mount boxes with centre frame with 3 rows for 6 elements ivory Simon 27 Centralisations

REF. **27852-32**

BASIC INFORMATION

DESCRIPTION

Frame for surface-mount boxes of the series Simon 27 Centralizations. This frame is used to install it both in surface-mounted and is recessed and has frame-holder with 3 rows for 6 elements. It can be installed, horizontally, on surfaces with a room located between 5 and 40ºC, although it can withstand extreme temperatures of between -25 to 50ºC. The frame has been manufactured in thermoplastic with metal frame-holder in ivory finish and has dimensions of 250x150. To clean it, you have to use a soft cloth slightly moistened in soapy water and never use abrasive cloths and / or abrasive cleaners containing chlorine, because if use these products, as the frame may be damaged. The Simon 27 Centralisations series incorporates different accessories and features that make you provide versatility and ease of installation. Also, with this series parts, by means of adapters, the boxes are linked together and allow the installation to be extended.
