

CASCADIA THERMAL JACKET

TRX-2M | TRX-2W

The Cascadia Thermal Jacket represents a milestone in lightweight thermal technology. Featuring a Thermal Shell polyfill, this is the lightest weight all-season thermal jacket ever developed by Stormtech, suitable for both temperate and cold environments. Both outshell and side panels are constructed with spandex to allow optimal stretch - providing unmatched flexibility and ease of movement.

STORMTECH Thermal Shell™ Technology

High loft synthetic insulation, designed to be lightweight, compressible, and provide maximum warmth

High-Performance Windproof Outer Shell with Mechanical Stretch

100% windproof outer shell fabric helps maintain thermal performance by keeping the heat in

Zippered On-Seam Hand Warmer Pockets

Keeps contents secure and your hands warm and dry

Partial Elasticized Cuffs

Blocks cold air from entering sleeve and offers a relaxed fit

Full Coverage Attached Hood with Easy-Lock Adjustment

Easily adjust the hood for maximum warmth in cool weather

Durable Water Repellent Finish

Delivers effective water resistance in all weather conditions

Articulated Elbows

Ergonomic design that enhances a free range of movement

Contoured Seaming (W's)

Provides a closer to body fit and sleek silhouette

Single Hand Hem Adjustment

Easily adjusts to provide a more secure fit and maximize core warmth
