SKYTEC™

COLD PROTECTION

Radius EW151

Cut resistant, thermal, water repellent fully coated latex glove

A fully coated glove combining thermal properties and cut resistance with an open cuff for easy donning and doffing. Ideal for sharp handling in cold and wet environments.

Features

- Cut resistant liner protects against sharp parts and the thermal liner provides insulation at cold temperatures
- Flexible and robust glove offering a good level of dexterity
- Water repellent for working in wet environments
- Protects the hand from liquids with optimal long lasting grip
- Open cuff (cut-out in wrist area) to ease removal of the glove
- No irritation by seams in contact with the skin

Certifications

CAT II

EN 388:2016 + A1:2018 — 3X33D

EN 511:2006 — X 1 X

ANSI/ISEA 105:2016 — A5 X X

Suitable industries & applications

Industries

- Construction
- Utilities
