General handling glove with microporous nitrile foam embossed finish

The microporous nitrile foam embossed finish provides a strong grip in wet, dry or oily conditions. Ideal for precision tasks.

Features

- A light, elastic low-lint glove, resistant to deformation and which keeps its shape longer
- Protects the hand from oils, hydrocarbons, grease and abrasion, with optimal long lasting grip
- Breathable back of hand to reduce perspiration
- Nitrile coating is formed and compressed to maximise grip, flexibility and durability
- Surface of palm encourages grease dispersal
- Minimal allergy risks
- Designed for easy movement and continuous wear
- No irritation by seams in contact with the skin
