MULTI PURPOSE

305

Durable grip safety glove with latex coated palm and knuckles

Reinforced 3/4 latex coating protects the hand and provides excellent mechanical resistance. The ergonomic design provides a level of much needed comfort during the intense manual handling that this glove is designed for.

Features

- A flexible, soft glove that absorbs perspiration, for ultra-comfortable extended wear
- Enhanced protection to the knuckles and back of hand
- Rough finish to the latex provides tactile feel and better grip
- Ergonomic fit
- Seamless liner prevents irritation
- Designed for easy movement and continuous wear

Certifications

CAT II

EN 388:2016
+ A1:2018

2142X
