CUT PROTECTION

541

Flexible and lightweight cut-resistant glove with PU coated grip

Supple and light, the 541 provides a high degree of comfort when performing delicate tasks in dry and greasy handling condition where the risk of cuts is high.

Features

- A flexible, light glove providing effective protection against cuts and very resistant to abrasion
- Protects the hand from oils and abrasion while remaining elastic and breathable
- Breathable back of hand to reduce perspiration
- Minimal allergy risks
- Designed for easy movement and continuous wear
- No irritation by seams in contact with the skin

Certifications
