MULTI PURPOSE

4552

Biodegradable, multi-purpose glove with sponge nitrile grip

Engineered with Showa's Eco Best Technology (EBT), this planet-friendly milestone in glove innovation is ideal for multi-use applications across a range of industries. The sponge nitrile coating provides good grip in oily and dry conditions.

Features

- Eco Best Technology within the coating and liner enable the glove to biodegrade once disposed of in landfill
- Lightweight, seamless 15 gauge liner
- Protects from oils, grease and abrasion
- Breathable back of glove
- Long lasting grip performance in dry and light oily conditions
- Manufactured using an ergonomically designed hand mould that replicates the natural curvature of the human hand
- Manufactured using an ergonomically designed hand mould that replicates the natural curvature of the human hand

Certifications

EN ISO 374-1: 2016 + A1:2018/Type A	EN 407: 2020
JKLMNOPT	X1XXXX

Suitable industries & applications

Industries

- Automotive
- Construction
- Facilities Management
- Utilities
- Highways and Infrastructure

Applications

- Component and Product Assembly
- Vehicle Assembly
- General Goods Handling
- Waste Collection and Sorting
