MULTI PURPOSE

EMG133

Multi-purpose polyester / polyurethane palm coated glove

A very supple, stretchable and comfortable general handling glove. Ideal for precise operations requiring excellent dexterity in dry or greasy conditions.

Features

- Durable polyurethane palm coating resists rips and abrasion
- Excellent grip in dry handling conditions
- Breathable liner keeps hand cool and helps to reduce perspiration
- Lint free, reducing the risk of product contamination
- Flexible and close-fitting design for a comfortable wearing experience
- Seamless liner prevents irritation
- Elasticated wrist provides a secure and comfortable fit
