Halogen-free mini-trunking of 2m 10x22mm with 1 compartment

REF. **TM1022/19**

BASIC INFORMATION

DESCRIPTION

Our 2-meter Mini Trunking is a robust and efficient solution for cable distribution in electrical projects. Made from halogen-free thermoplastic materials, it meets safety standards by being non-flame propagating in the event of a fire. With reduced dimensions and an internal compartment, it allows effective cable organization in limited spaces. Additionally, we offer a variety of accessories to adapt it to different architectures. With an IP4X protection rating and IK07, we guarantee a high level of safety in your electrical installations. The indicated price is per meter and is supplied in batches of 48 units (96 meters in total)
