Halogen-free mini-trunking of 2m 20x30mm with 2 compartments

REF. **TM12022/19**

BASIC INFORMATION

DESCRIPTION

Our 2-meter Mini Trunking is a robust and efficient solution for cable distribution in electrical projects. Made from halogen-free thermoplastic materials, it meets safety standards by being non-flame propagating in the event of a fire. With reduced dimensions and two internal compartments, it allows for effective cable organization in limited spaces. Additionally, we offer a variety of accessories to adapt it to different architectures. With a protection degree of IP4X and IK07, we guarantee a high level of safety in your electrical installations. The indicated price is per meter and is supplied in batches of 30 units (60 meters in total)
