Notes

All information contained within this document subject to change without notice.

*Compliant with ADA accessibility requirements when installed according to ADA standards.

All vitreous china dimensions shown in these drawings are nominal and not to scale. Dimensions can vary within the tolerances established in the governing ASME A112.19.2/CSA B45.1standard. It is important to consider this when planning rough-in and plumbing layouts.

Lavatory does not meet ADA requirements when optional ceramic shroud is used.
