Organic Sugar Cane

80177 | 1X50 LB CASE

This Organic Golden Cane Sugar is a dose of sweetness you'll feel good about, both for its deliciously bright flavor and its wholesome production. Hailing from sustainable Fair-Trade farms in South America, this sweetener is made by evaporating and crystallizing the juice from freshly harvested sugarcane. This unrefined, chemical-free sugar has a light golden color that adds an elegant touch when sprinkled on cookies and cakes. Enjoy in your morning coffee or let its sweetness shine in snacks like caramel popcorn or baked goods like scones and quick breads.
