TX725

Orange single use nitrile glove with grip pattern

High performance, powder-free, orange, nitrile, single-use glove with patented TRXON grip pattern technology. Provides outstanding grip performances & chemical protection.

Features

- High-quality nitrile, soft & durable
- Palm thickness 0.18mm (7mil), weight: 7.5g, size M
- High resistance to penetration & projections of many chemicals
- Patented TRXON grip pattern technology on both sides offering outstanding grip properties in all conditions
- Powder-free, latex-free, non-sterile, AQL 1.5
- Chlorinated inside to offer increased comfort & reduce friction when donning
- Anti-static properties due to inherent anti-static properties of nitrile
- Lasts up to 5 times longer than regular single-use gloves in industrial applications
