

# Fresh Seafood

Down East Seafood has provided the world's finest and freshest seafood to New York's best chefs for over 30 years. We are pleased to offer our premium, sustainably sourced, and packaged seafood to your door. Started as a single van making weekly pilgrimages for Maine clams, Down East has evolved into a full-line seafood company providing the ocean's bounty six days a week. Housed in our 17,000-square-foot facility in Hunt's Point, the Bronx, we distribute to Westchester, Southern Connecticut, Long Island, Northern New Jersey, and the Five Boroughs of New York City.

Our curbside-recyclable packaging demonstrate our commitment to sustainability. We are HACCP approved, third-party certified, fully licensed, and committed to procuring and providing the freshest and most wholesome seafood there is.
