The Core Difference

The Core Difference

Included in this booklet are the Core items in the Chefs Warehouse seafood program. These products have been produced in a way to provide our customers with the most consistently high quality seafood available anywhere.

Our sources use no chemical additives and meet the strictest environmental and social guidelines of such respected groups as the Global Aquaculture Alliance, Marine Stewardship Council and Monterey Bay Aquarium.

The Right Squid

'The Right Squid' is harvested in Pt. Judith, Rhode Island, known for the world's most tender and flavorful squid. The squid is immediately processed when landed, leaving no waste.

Xtraordinary Tigers, Xtraordinary Whites, & A Better Cooked Shrimp

XT, XW, ABCS shrimp are farm raised in Southeast Asia without the use of antibiotics or hormones and contain no chemical additives.

ABCS cooked shrimp has been cooked in the shell, peeled, and needle deveined. This process seals in the natural flavor of the shrimp and results in a firm, crunchy texture.
