MULTI PURPOSE

MFT PRO 381

General handling glove designed for exceptional durability breathability and fingertip sensitivity

Designed to protect workers who switch between general handling and intricate assembly tasks. With a durable, lightweight microporous nitrile coating that delivers excellent grip in dry & light oily conditions.

Features

- Constructed using a revolutionary 13 gauge SHOWA engineered microfibre liner (0.52 denier)
- Embossed nitrile palm finish disperses oil to increase grip and longevity in light oily environments
- Microporous nitrile coating allows warm air and moisture from inside to escape
- The 0.84mm finger thickness provides an excellent level of tactility and sensitivity
- Microfibre yarn absorbs perspiration and moisture from the skin, resulting in drier and cooler hands
- Protects from oils, grease and abrasion (8000 cycles)
- A flexible glove designed for easy movement and extended wear
- Protects from oils, grease and abrasion (8000 cycles)

Certifications
