SAFETY GLASSES

SAFETY GOGGLES

EME21

Hybrid safety style complete with gasket and interchangeable headstrap

The EME21 safety glasses offer a sporty design with a removable foam gasket for dust protection. They include interchangeable temples and a headstrap for versatility, wide lenses for a great field of view, and adjustable features for a secure, comfortable fit.

Features

- Interchangable temples and headstrap
- Soft and removable foam gasket provides protection against dust and debris
- Wide lens provides a great field of view
- Soft, adjustable, anti-slip nose bridge
- Adjustable temple for personalised fit
- Close fitting alternative to a goggle
- Close fitting alternative to a goggle
