HARD HATS

E Pro

Arc flash protective helmet with integrated visor

The E Pro safety helmet provides impact level B protection with a sturdy PC/ABS shell and foam liner. It has a 4-point adjustable chinstrap, ratchet system, customisable headband, soft padding, and a replaceable sweatband for comfort. The E Pro 2 model adds a fire-retardant chin guard for extra safety.

Features

- PC/ABS shell & foam liner construction
- Integrated retractable visor with dual position locking mech
- Visor Impact level B, with anti-fog and anti-scratch protection
- Visor thickness: 2.3mm
- 4 point adjustable chinstrap system
- Adjustable ratchet system
- Adjustable headband
- Replaceable sweatband
- E Pro 2: Protective textile chinguard - Nylon skeleton structure with fire retardant fabric
