MULTI PURPOSE

COLD PROTECTION

BMG981

A warm, comfortable and durable glove

A thermally insulated glove with outstanding ergonomic fit and comfort. Maintains grip in all weather conditions and ensures gardening enjoyment can continue through all the seasons

Features

- Dual layer knitted dipped technology ensures an outstanding fit and gives your hand freedom of movement
- Polyester liner on the outside provides stretch and flexibility whilst increasing abrasion resistance
- Brushed acrylic inner liner maintains warmth and provides a soft, snug feeling
- Crinkle foam latex coating maintains a secure grip while keeping your hands dry and resists abrasion / rips
- Durable glove that remains flexible in temperatures as low as -30°C
- Enhanced protection to palm, fingers and knuckles
- Excellent flexibility and durability
- Seamless liner prevents irritation
