

ACTIVE FLEECE

STYLE 9160

Engineered with a blend of heavy, soft polyester fleece and reinforced ripstop polyester on shoulders and elbows, this jacket epitomizes cool functionality. Boasting quality SBS zippers, and two spacious front pockets, it merges style with utility. The elastic banding on the sleeves ensures a snug fit, allowing you to brave the cold in comfort and with confidence. Quality Main fabric: 100% polyester 2nd main fabric: 92% polyester / 8% elastane ripstop+D+[@[Description (PIM)]]
