Details

Water resistant and highly breathable, the B&C Reset Lined Windbreaker sets a new benchmark in lightweight, certified eco-friendly weather protection. Its 100% recycled outer is treated with a Fluorine-free DWR (Durable Water Repellent) coating, delivering water resistance but staying environmentally conscious. The 100% recycled polyester mesh lining enhances breathability, ensuring moisture control and optimal comfort during active use. An adjustable hood makes protection from the elements complete. This gender neutral windbreaker offers practical printing access and a label-free neck for effortless customisation. Available in a wide range of sizes (XS-4XL) it delivers great performance for any outdoor activity.
