RECYCLED
COMPONENTS

A must for all outdoor fans, the waterproof jacket is a lightweight shell jacket that combines a simple design with excellent functionality. Despite being one of the lightest shells in our collection, this jacket is very robust.

The 2-layer TEXAPORE CORE SOFT fabric is waterproof, windproof and breathable.

The hood can be stowed in the jacket collar, and the hem can be adjusted to suit your requirements.

When you're outdoors having fun, the articulated elbows give you the freedom of movement you need.
