ELDRIDGE

STYLISH ¾-LENGTH CAR COAT

Eldridge is a premium ¾-length jacket built for unpredictable weather. Sleek and sophisticated in its expression, it brings together refined style and serious weather protection in one versatile silhouette. Crafted from recycled polyester with a matte, clean, and modern finish, Eldridge delivers a windproof, waterproof, and fully seam-sealed construction with 8K/10K performance. A detachable hood, storm cuffs, and a 2-way main zipper with snap button placket ensure complete protection without compromising the look. Two side pockets and an inner pocket add both practicality and purpose to the design.

Shell 100% certified recycled Polyester. PU membrane | **Lining** 95% certified recycled Polyester / 5% Spandex | **Features** Windproof. Water resistance 10.000 mm. Breathability 8000 g/m²/24h. Water repellency finish - Bionic Finish® ECO. PU membrane 8K/10K. Fully taped seams
