MEN'S THERMA-FIT 1/2-ZIP GOLF TOP

IB0307

M NK TF VLCTY 1/2 ZIP TOP

Cozy up to the pin in this 1/2-zip top. A go-to layer for cooler rounds, it uses a brushed Therma-FIT fabric to help you stay warm without weighing you down. Some stretch in the fabric allows you to make a full turn in your swing and move through the ball with ease.

Nike Therma-FIT technology helps manage your body's natural heat to help keep you warm in cold-weather conditions.

Blade collar and 1/2-zip design make it easy to pair this top with your favorite polos.
