OMG! Antibacterial Handwash Safety Data Sheet

This SDS is provided voluntarily as cosmetic product is exempt from SDS requirements of REACH

6.2. Environmental precautions

Environmental precautions: Large Spillages - Do not discharge into drains or watercourses or onto the ground.

6.3. Methods and material for containment and cleaning up

Methods for cleaning up: Take care as floors and other surfaces may become slippery. Large Spillages: Absorb spillage with suitable absorbent material. Collect the material and place into suitable labelled container(s). Flush contaminated area with plenty of water. Wash thoroughly after dealing with a spillage. For waste disposal, see Section 13.

6.4. Reference to other sections

Reference to other sections: See Section 11 for additional information on health hazards. See Section 12 for additional information on ecological hazards. For waste disposal, see Section 13.

7. Handling and Storage

7.1. Precautions for safe handling

Usage precautions: Read and follow manufacturer's recommendations on label. Handle all packages and containers carefully to minimise spills. Keep container tightly sealed when not in use.

Advice on general occupational hygiene: Remove contaminated clothing and protective equipment before entering eating areas. Wash at the end of each work shift and before eating, smoking and using the toilet.

7.2. Conditions for safe storage, including any incompatibilities

Storage precautions : Store in tightly-closed, original container. Store upright in a cool , safe place away from direct sunlight.

7.3. Specific end use(s) Specific end use(s): As stated in Section 1.2.

8. Exposure controls/ Personal Protection

8.1. Control parameters Occupational exposure limits No specific control limits available

8.2. Exposure controls
Appropriate engineering
Not relevant.
Eye/face protection
No specific eye protection required under normal use. Safety glasses or goggles recommended if handling significant quantities of undiluted product.
Hand protection
Hand protection not required under normal use. If prolonged contact with undiluted product is likely wear suitable gloves

Hand protection not required under normal use. If prolonged contact with undiluted product is likely wear suitable gloves recommended for use with surfactants.

Other skin and body protection

None required under normal use.

Hygiene measures

When using do not eat, drink or smoke. Wash hands thoroughly after handling. Wash at the end of each work shift and before eating, smoking and using the toilet.

Respiratory protection

Not required under normal use.

Safety Data Sheet

This SDS is provided voluntarily as cosmetic product is exempt from SDS requirements of REACH

9. Physical and Chemical Properties

9.1. Information on basic physical and chemical properties					
Appearance:	Clear liquid.				
Colour:	Pale Blue				
Odour:	Characteristic.				
Odour Threshold :	Not available.				
pH:	3.5-4.0				
Melting point :	~0°C				
Initial boiling point and range :	102°C				
Flammability (solid, gas):	The product is not flammable.				
Relative density:	1.02 -1.04 @ 20°C				
Solubility(ies):	Soluble in water.				
Viscosity:	2000-5000cps				

9.2 Other Information **Other Information :**

No information required

10. Stability and Reactivity

10.1. Reactivity

See the other subsections of this section for further details.

10.2. Chemical stability

Stability : Stable at normal ambient temperatures and when used as recommended.

10.3. Possibility of hazardous reactions None expected.

10.4. Conditions to avoid Avoid exposure to high and freezing temperatures.

10.5. Incompatible materials **Materials to avoid:** No specific material or group of materials is likely to react with the product to produce a hazardous situation.

10.6. Hazardous decomposition products Does not decompose when used and stored as recommended.

11. Toxicological Information

11.1. Information on toxicological effects
This product has not been tested. Based on the available data of the ingredients, the classification criteria are not met Acute toxicity – oral/ dermal/ inhalation
Not classified.
Skin corrosion/irritation
Not classified
Serious eye damage/ irritation
Not classified – May be irritating to eyes. The symptoms can include redness, itching and tearing.
Respiratory sensitisation
Not classified
Skin sensitisation

Safety Data Sheet

This SDS is provided voluntarily as cosmetic product is exempt from SDS requirements of REACH

Not classified Germ cell mutagenicity Genotoxicity - in vitro None of the components have been identified as germ cell mutagens. Carcinogenicity None of the components have been identified as carcinogens. **Reproductive toxicity Reproductive toxicity - fertility** None of the components have been identified as reproductive toxins. Specific target organ toxicity - single exposure **STOT** - single exposure None of the components have been identified as presenting a systemic target organ hazard. Specific target organ toxicity - repeated exposure **STOT - repeated exposure** None of the components have been identified as systemic target organ hazard. Aspiration hazard Based on available data the classification criteria are not met. Not considered to present as aspiration hazard Toxicological information on ingredients. Sodium Laureth Sulfate Acute toxicity - oral Acute toxicity oral (LD50 mg/kg) >2000 Based on available data the classification criteria are not met Species Rat Acute toxicity - dermal Acute toxicity dermal (LD50 mg/kg) >2000 Based on available data the classification criteria are not met Species Rat Skin Corrosion/Irritation Irritating. REACH dossier information Serious Eye damage/ irritation Irritating REACH dossier information Lactic acid Acute toxicity - oral Acute toxicity oral (LD50 mg/kg) 3.730 mg/kg Species Rat Acute toxicity oral (LD50 mg/kg) 4.875 mg/kg Species Mouse Acute toxicity - dermal Acute toxicity dermal (LD50 mg/kg) >2.000 mg/kg Species Rabbit Skin Corrosion/Irritation Mild skin irritation. Species Guinea pig Skin Corrosion/Irritation Severe skin irritation.

Serious Eye damage/ irritation Irritating Species Rabbit
