

BLUE STORM HAND DRYER

BLUEDRY

POWERFUL PERFORMANCE.

CLASSIC RELIABILITY

Experience fast, efficient hand drying with the BLUEDRY Blue Storm – designed for durability, versatility, and use in any commercial setting.

FEATURES

- ✓ Rapid 15-second dry time.
- ✓ Heavy-duty, vandal-resistant construction for long-lasting use.
- ✓ Timeless, classic design.
- ✓ Compact footprint – ideal where space is limited.
- ✓ Quiet operation, perfect for noise-sensitive areas.
- ✓ Fully rotating nozzle for flexible hand, face, and hair drying.

Built to perform in demanding environments, the Blue Storm combines robust engineering with a sleek, seamless finish. It's low-noise operation ensures a comfortable user experience, while its versatile design makes it suitable for hand, hair, and face drying.

PERFECT FOR

Leisure centres, secondary schools, colleges, offices, restaurants, retail settings, hotels, cinemas, or any other noise-sensitive environments and medium-traffic areas.
