

# COLOURCRAFT COLOURS & ADHESIVES LTD

REGISTERED IN ENGLAND No. 1406270

VAT REG No. 308390169

Units 5 & 6 Carlisle Court 555 Carlisle Street East Sheffield S4 8DT England UK

Tel : +44 (0) 114 242 1431

## PRODUCT SAFETY DATA SHEET

### 1. IDENTIFICATION OF THE SUBSTANCE/PREPARATION AND OF THE COMPANY/UNDERTAKING

#### Product Identifier

**Product Name** Eco Acrylic Paint/Eco Metallic Acrylic Paint (All colours & Sizes)

#### Relevant identified uses of the substances or mixture and uses advised against

Identified uses Decorative paint for art and craft use

Uses advised against All other uses

#### Company Supplying Safety Data Sheet

Colourcraft Colours & Adhesives Ltd  
Units 5 & 6 Carlisle Court 555 Carlisle Street East Sheffield S4 8DT  
England UK

#### Emergency Contact Information

Tel: +44 (0) 114 242 1431

Email: info@colourcraft.uk

Opening Hours 8.30am-5pm Monday-Thursday, Friday 8am-1.30pm

### 2. HAZARDS IDENTIFICATION

This Safety Data Sheet is prepared voluntarily. This product does not meet the criteria for classification in any hazards class according to Regulation (EC) No 1272/2008 (U-GHS/CLP) on classification, labelling and packaging of substances or the Globally Harmonised System of Classification and Labelling of Chemicals (GHS)

#### Classification of the substance or mixture

**Classification** Not classified

#### Label Elements

Product does not meet the criteria for labelling in any hazardous class

#### Hazard statement(s)

None

#### Precautionary statement(s)

None

#### Supplemental Hazard Statements

None

#### Other Hazards

Substances/Mixtures

Not classified as hazardous

No endocrine disrupting properties

Eye contact may cause temporary irritation

Repeated/prolonged skin contact may cause minor irritation to sensitive individuals

### 3. COMPOSITION/INFORMATION ON INGREDIENTS

#### Substances

Not applicable

#### Mixtures

Product does not contain any ingredients which are hazardous to health or the environment within the meaning of the GHS, above their cut off levels

EC NO:

Not applicable

Reach Registration No:

Not applicable

CAS NO:

Not applicable

### 4. FIRST-AID MEASURES

#### Description of first aid measures

Inhalation

Unlikely route of exposure. If symptoms are observed remove affected person to fresh air

Skin Contact	Wash with soap and water. In the unlikely event of irritation, seek medical attention
Eye Contact	Remove any contact lenses. Rinse with water for at least 10 minutes. Should irritation occur seek medical advice
Ingestion	Wash mouth out with water. Give water to drink. Do not induce vomiting. In the unlikely event of sensitivity seek medical advice

**Most Important Symptoms and effects, both acute and delayed**

No acute or delayed symptoms expected.  
Allergic reaction in sensitive individuals

**Any immediate medical attention/specific treatment required**

None needed. Whenever there is concern medical advice should always be sought.

**5. FIRE FIGHTING MEASURES**

**Fire Extinguishing Media**

Suitable  
Unsuitable

Water spray, foam, dry powder extinguisher, carbon dioxide  
High volume water jet

**Special hazards arising from the substance or mixture**

If product is ignited causing decomposition harmful fumes may be formed

**Advice for firefighters**

Wear self contained breathing apparatus and protective clothing

**6. ACCIDENTAL RELEASE MEASURES**

**Personal Precautions, protective equipment and emergency procedures**

In the case of a large spillage – wear pvc/rubber gloves  
Care should be taken as spillages will be slippery

**Environmental Precautions**

Keep away from drains, surface and groundwater.

**Methods and material for containment and cleaning up**

Large spillages – Transfer the product into drums using a pump or shovel  
Small spillages – Soak up with a paper towel and wipe surface with a damp cloth

**7. HANDLING & STORAGE**

**Precautions for safe handling**

Avoid eye contact and also skin contact of long duration  
Do not eat or drink whilst using the product

**Conditions for safe storage including any incompatibilities**

Keep container closed and away from children  
Keep in original packaging at temperature between 6°C and 25°C

**8. EXPOSURE CONTROLS/PERSONAL PROTECTION**

**Control Parameters**

Products do not contain any relevant quantities of materials with critical values that have to be monitored in the workplace  
(ref: EH40/2005 as consolidated with amendments Jan 2020)

**Exposure controls**

National exposure control limits must be considered where appropriate

**Appropriate engineering controls**

Handle in accordance with good industrial hygiene and safety practices

**Personal Protective equipment**

Ventilation  
Respiratory Protection  
Eye/Face Protection

Ensure adequate ventilation. No occupational exposure limits established  
None under normal usage conditions  
None under normal usage conditions – eyewear complying with an approved standard should be worn if a risk assessment indicates eye contact is possible

Hand Protection  
Body Protection  
General Safety and Hygiene Measures

Gloves - Only if contact is repeated/prolonged  
Apron/Working clothes  
Wash hands after use. Do not eat/drink whilst using the product

## 9. PHYSICAL & CHEMICAL PROPERTIES

Appearance	Coloured Liquid
Odour	Slight odour
pH	7-9
Freezing point	0°C (water component)
Boiling point/range	100°C (water component)
Flash Point	N/A
Evaporation Rate	As for water
Melting point/range	no data available
Flash Point	no data available
Relative Density	1.0-1.2g/ml @ 20°C
Flammability	no data available
Lower and upper explosion limit	no data available
Vapour pressure	no data available
Relative vapour density	N/A
Solubility with water	Completely Soluble
Partition coefficient: n octanol/water (log value)	no data available
Autoignition temperature	no data available
Decomposition temperature	no data available
Viscosity	Various 150 -300 poise @ 25°C
Explosive properties	not an explosive hazard
Oxidizing properties	no data available
Kinematic Viscosity	no data available
Particle Characteristics	no data available
Other Data:	N/A

## 10. STABILITY AND REACTIVITY

Reactivity	No known hazardous reactions under normal use
Stability	Product is stable at normal ambient room temperature
Hazardous Reactions	No known hazardous reactions under normal use
Conditions to Avoid	None anticipated under normal use
Materials to Avoid	None anticipated under normal use
Hazards Decomposition Products	Fire may create hazardous fumes. Product does not decompose under normal use

## 11. TOXICOLOGICAL INFORMATION

<b>Information on toxicological effects</b>	When used and handled in accordance with the manufacturer's specifications the product does not contain any substances that require classification under this section.
<b>Other Information</b>	Eco Acrylic Paint (All Colours) has not been approved for cosmetic use

## 12. ECOLOGICAL INFORMATION

<b>Toxicity</b>	No data available – no substances that require listing under section 3
<b>Other adverse effects</b>	When used and handled in accordance with the manufacturer's specifications, based on information regarding its components, there are no known significant ecological effects or critical hazards

## 13. DISPOSAL CONSIDERATIONS

<b>Unused Material</b>	Dispose of small quantities as household waste but in accordance with any regional and national regulations
<b>Used packaging material</b>	In accordance with any regional and national regulations

#### 14. TRANSPORT INFORMATION

Not restricted for transport

#### 15. REGULATORY INFORMATION

##### **Safety, health and environmental regulations/legislation specific for the substance or mixture**

This subsection of the safety data sheet describes all other regulatory information if applicable that is not already provided elsewhere in other sections.

It should be considered when undertaking a COSH assessment (Control of Substances Hazardous to Health).

This product is not subject to the provisions of Regulation (EC) No 1005/2009 of 16 September 2009 on substances that deplete the ozone layer.

This product does not contain any persistent organic pollutants as defined in Regulation (EC) No 850/2004.

This product is not subject to the provisions of Regulation (EC) No 649/2012 concerning the export and import of dangerous chemicals

This product does not contain any SVHC's (Substances of Very High Concern) as defined under Regulations (EC) No 1907/2006 Amendment Regulations 2023. Neither does it contain any substances restricted as defined under Annex VII REACH Regulation (EC) No 1907/2006 (Amendment) Regulations 2023.

Product complies with Toy Safety Directive 2009/48/EC EN71-3:2019+A1:2021 Migration of Certain Elements.

#### **Chemical Safety Assessment**

The regulatory information given above only indicates the principle regulations specifically applicable to the product described in the safety data sheet. The user's attention is drawn to the possible existence of additional provisions which complete these regulations. Refer to all applicable national, international and local regulations or provisions.

#### 16. OTHER INFORMATION

In the event of previous sensitivity or allergy to any art, craft, dye or household products, we recommend consulting a physician before participating in art and craft activities. Children should use this product under adult supervision
