

# BlueDry - BD1015

## HEAT CONTROL

This BlueDry hand dryer gives you the option to have the heater element turned on or off. This is ideal for when the ambient air temperature is low and you want the comfort of warm air. When the heater is not needed, it can be switched off to save even more energy and money.

## HYGIENIC

A high grade antibacterial filter ensures clean air is used to dry your hands.

## BLUE LED

A blue LED light guides the user to the airflow and adds a cool modern touch.
