Product Description

When you need a compact, mobile mouse that offers Bluetooth wireless performance and comfort, the Kensington Pro Fit Bluetooth Mouse has everything you need to be productive. The Bluetooth connection allows you to save a USB port on your device for other accessories, which is extremely convenient on modern ultra-thin devices that have limited port space. The high definition 1000 DPI laser sensor lets you scroll around your screen with precision control. The two-button, scroll wheel design is highly intuitive and works equally well for both right-handed and left-handed users. And best of all, with simple and easy Pair & Play installation, you'll be up and ready in no time.

Features

- Bluetooth® connection allows you to save a valuable USB port for other accessories
- 1000 DPI laser sensor provides high-definition tracking for enhanced performance
- Comfortable two-button, scroll wheel design is ideal for mobile right-handed or left-handed users
- Pair & Play installation so you can be up and scrolling fast
- Compatible with Windows® and Mac®
