Product highlights

Everything you need

Philips accessories are designed to help you make the most of your Philips dictation devices. They guarantee optimal results and ensure that your Philips products enjoy a long life.

Under chin style

Designed for an under-the-chin fit for better comfort.

Neodymium magnet

Neodymium is the best material for producing a strong magnetic field for greater sensitivity and higher overall sound quality.

Gold-plated plug

The precious-metal gold finishing on the plug will produce a more reliable connection for better audio quality.

Lightweight design

The durable, lightweight quality materials enhance comfort for extended wearing.

14 mm / half-inch speaker driver

Small enough for optimum wearing comfort, yet large enough to deliver crisp, non-distorted sound, the 14 mm / half-inch speaker drive is the ideal size to deliver high-quality sound.

3 meter 10-foot cable

The 3 meter / 10-foot cable gives you the freedom to move around your work area without having to remove your headset.
