DESCRIPTION

This set of magnetic 3/8" Sq. Dr. spark plug sockets is made from forged chrome vanadium steel with a polished chrome finish for enhanced durability. The magnetic plug retention adds convenience by securely holding spark plugs during use. The set includes 14, 16, 21mm as well as a thin walled 16mm socket, which is ideal for tight clearance applications. Supplied in a robust plastic storage case.

CONTENTS

4 x Spark plug sockets - 14, 16, 16 (thin walled), 21mm
