DESCRIPTION

Make precise angled cuts in wood with this mitre saw. Fitted with a brushless motor with speeds of 4000r/min and a laser cutting guide, this saw offers exceptional performance and accuracy. The 0° - 45° bevel cutting feature enables mitre, bevel and compound cuts in a left direction.

24 month warranty extended to 36 months on registration.

The D20 interchangeable battery system allows users to combine the same battery/batteries with any of the tools within the D20 series.
