DESCRIPTION

The BUNKER® 25-piece 4915mm modular storage combo is your all-in-one solution for ultimate tool storage and organisation. Revamp your existing space, equip your garage, or outfit a commercial environment – BUNKER® has everything you need to get started, no matter where you're at in the process.

Our floor cabinets offer the perfect storage solution, available in a range of sizes to suit your needs. Each cabinet boasts adjustable shelves for customisable organisation, soft-close drawers for quiet operation, and quality foam linings for tool protection. For an extra touch of convenience, a built-in rubbish bin and paper towel roll holder keep your workspace clean and organised. The finishing touch? A durable hardwood worktop provides additional surface area for projects and tasks. In addition, all wall cabinets feature lift-up doors that are operated by quiet gas struts. Each unit features an integrated lock with two keys for added security.

The back panels double as pegboards, keeping your most-used items at your fingertips. Plus, for ultimate convenience, each panel features a pre-cut hole, providing easy access to a power supply. Just plug in and get started.

We are unable to offer a Next Day or a Weekend delivery service on the BUNKER® combo range. This allows us to carefully pack your order before being despatched. You will be contacted to arrange a suitable date for delivery. BUNKER® combos are sent on pallets. Their high quality construction means that some products are heavy and will require two people to lift them. Tools not included.
