DESCRIPTION

This extra-long arm hex key set features coloured-coded sleeves for quick size identification. The sleeves also offer a comfortable, oil resistant grip. The precision machined tips ensure an accurate fit. Made of high-quality steel with black phosphate tips, these keys are durable and protected from corrosion. The keys are securely held and easily removed from their sturdy plastic storage case.

CONTENTS

9 x Extra-long arm hex keys - 1.5, 2, 2.5, 3, 4, 5, 6, 8, 10mm
