DESCRIPTION

The BUNKER 3 tier trolley makes an ideal addition to any garage or workshop. Equipped with a convenient pull handle and a durable stainless steel worktop, this trolley is designed to keep your tools within reach while offering extra workspace and functionality.

Each shelf is lined with EVA foam to protect your tools, and the middle tier is adjustable for added versatility. All levels feature a retaining lip to prevent small tools and parts from rolling away, and side bumpers help reduce impact damage.

With four sturdy castor wheels, including two with brakes for secure positioning, this 3 tier tool trolley allows for easy movement and stability whenever needed. Explore the range of BUNKER approved stockists online and upgrade your space.

Some BUNKER products are sent on pallets. Their high quality construction means that some products are heavy and will require two people to lift them. Tools not included.
