SMD LED AC/DC Hybrid Work Light, 3,000 Lumens, 24W

STOCK No. 04673 **BRAND** Draper Expert

BARCODE 5059482079122

WARRANTY 12 months parts and labour

FEATURES

- 100-240V mains powered or rechargeable (battery not included)
- Foldable and adjustable stand
- Three brightness settings
- Magnetic base and hanging hook
- USB output 5V/1A
- Includes power tool battery adaptor compatible with DeWalt® and Milwaukee®

DESCRIPTION

This super bright AC/DC hybrid work light can be powered using the included 100-240V AC mains adaptor or a DC 18V rechargeable battery (sold separately). The adjustable stand allows the beam to be directed, and it easily folds for convenient storage. There are three brightness settings, ranging from 694-3,000 Lumens. The magnetic base and hanging hook provide additional options for versatile use. The work light incorporates a USB 5V/1A output for charging mobile devices. It comes with a power tool battery adaptor that is compatible with DeWalt® and Milwaukee®.
