DESCRIPTION

The BUNKER workbench includes a worktop, storage shelf, and drawer. Its industrial matt textured powder coating protects it from scratches, wear, and corrosion.

The worktop and bottom shelf are designed with a retaining lip on all sides to prevent small parts and tools from slipping off. The drawer also includes an integral lock for added security, with two keys provided.

Featuring adjustable feet for precise positioning on uneven surfaces, this workbench boasts a ready-to-assemble design with all the necessary fittings supplied.

BUNKER workbenches are sent on pallets. Their high-quality construction means that some products are heavy and will require two people to lift them.
