- Range of precision screwdrivers and 1000V insulated precision screwdrivers
- Chrome plating and sand blasted tips for enhanced durability
- Soft grip handles
- Bit holder and screwdriver bits with sand blasted finish
- Angled tweezer
- Strong plastic storage rack with removable tray

DESCRIPTION

This comprehensive set of precision screwdrivers includes 1000V insulated precision screwdrivers, a bit holder, screwdriver bits, and angled tweezer. The screwdrivers feature a hardened chrome vanadium steel round blade with chrome plating and sandblasted tips for enhanced durability. They are equipped with a comfortable soft grip handle and come with an integrated hang hole. The screwdriver bits are also made of chrome vanadium steel and have a sandblasted finish. All components are arranged in a storage rack that includes a removable tray for easy access.
