- Ready to assemble design
- Measures W 1,550 x H 914 x D 635mm

DESCRIPTION

This robust workbench, belonging to the BUNKER storage lineup, is meticulously crafted from high-grade steel. It features a practical worktop and a storage shelf.

The industrial matt textured powder coating serves as a shield, protecting against scratches, wear, and corrosion. The worktop and bottom shelf are equipped with a retaining lip on all sides, effectively preventing small parts and tools from rolling off. Its adjustable feet ensure stable positioning on uneven floors.

Explore the innovative BUNKER range and place your order via our online stockists.

BUNKER workbenches are sent on pallets. Their high-quality construction means that some products are heavy and will require two people to lift them.
