DESCRIPTION

Revamp your workspace with the BUNKER modular floor cabinet, featuring four drawers and a contemporary design that suits any environment.

When it comes to floor cabinets, the BUNKER cabinet is loaded with smart features that provide exceptional protection and storage for your tools and equipment. Stylish aluminium handles, smooth soft-close mechanisms on each drawer, and foam lining to protect your tools make maximising your space easier than ever.

Its matt black textured finish is highly durable and protected against scratches, wear, and corrosion thanks to the industrial powder coating. Additionally, the cabinet's adjustable feet ensure optimal positioning on uneven floors.
