Highlights

Welcome you home

Experience the comfort of your lights turning on automatically when you arrive and turning off when you leave. Unpack your car and enter your house, all with the comfort of the right light. Just set the Hue app to Home or Away mode to switch on all your lights, or let geolocation do it for you, all without touching a button. It's as easy as that.

Smart control, home and away

Light up your outdoor spaces and see what's going on outside. By connecting your outdoor lights with the Hue Bridge, you can control them in any way you like. With our indoor remote-control options such as the Philips Hue app or using your voice (Amazon Alexa, Apple HomeKit or Google Assistant), you can control your outdoor lights. You can set light schedules to mimic your presence. Control your outdoor lighting from the comfort of your home or from any other location.

Set timers for convenience

Enjoy longer evenings outside, finish gardening or just put the rubbish outside after sunset. Have your Philips Hue lights turn on automatically by setting schedules or use the sunset/sunrise routine. And of course, you can also turn off or dim your lights this way. You'll never have to worry whether you've left any lights on.

Installation-free dimming

Experience guaranteed smooth dimming with Philips Hue. Not too bright. Not too dark. Just right. To dim the lights, you don't need any wiring, an electrician or installation.

Control it your way

Connect your Philips Hue lights with the Bridge and start discovering the endless

possibilities. Control your lights from your smartphone or tablet via the Philips Hue app, or add the indoor switches to your system to change your lights. Set timers, notifications, alarms and more for the full Philips Hue experience. Philips Hue even works with Amazon Alexa, Apple Homekit and the Google Assistant to allow you to control your lights with your voice.

Weather-proof (IP44)

This Philips Hue outdoor fixture is specially designed for use in outdoor environments and has undergone rigorous tests to ensure its performance. The IP level is described by two figures: the first one refers to the protection level against dust, the second against water. This lamp is designed with IP44: it is protected against water splashed from any direction. This product is ideal for general outdoor use.

Requires a Philips Hue bridge

Connect your Philips Hue lights with the Bridge to control your lights from your smart phone or tablet via the Philips Hue app. Or control your Philips Hue lights with the Philips Hue dimmer indoor switch for on/off and dimming functionalities.

Specifications

Design and finishing

- Material: aluminium
- Colour: anthracite

Product dimensions and weight

- Height: 11.5 cm
- Length: 21.5 cm
- Width: 17 cm
- Net weight: 1.065 kg

Technical specifications

- Mains power: Range 220 V–240 V, 50-60 Hz
- Bulb technology: LED, 230 V
- Number of bulbs: 1
- Fitting/cap: E27
- Wattage bulb included: 9.5 W
- Maximum wattage replacement bulb: 9.5 W
- Light colour: warm white
- Fixture dimmable
- LED
- Built-in LED: NO

- Energy class included light source: A+
- Fixture is compatible with bulb(s) of class: A++ to E
- Lifetime up to: 25,000 hrs
- IP code: IP44, protection against objects bigger than 1 mm, protection from splashed water
- Class of protection: II - double insulated
- Light source equivalent to traditional bulb of: 60 W
- Lumen output bulb included: 806 lm
