

BRACKET25SAT

Adapter/Cable to Mount 2.5" SATA HD into a 3.5" Bay

- 1 - SATA Data/Power Combination Cable
- 2 - 3.5" Drive Bracket

Thank you for purchasing a StarTech.com 2.5" to 3.5" SATA hard drive cable adapter kit. Now you can install your 2.5" hard drive into your PC and use your notebook hard drive in your desktop computer.

Installation

WARNING! Computer equipment can be severely damaged by static electricity. Be sure that you are properly grounded before opening your computer case or touching your hard drive.

1. Connect the SATA Data/Power Combination Cable to the SATA drive power and data ports.
2. Make sure that your computer is turned off and that you are grounded. Remove the cover from your PC.
3. Secure the hard drive to the bracket using the provided screws. Insert the bracket into an open 3.5" drive bay and secure the bracket to your computer case.
4. Connect the remaining ends of the SATA Data/Power Combination cable to an LP4 power connector (provided by the computer power supply) as well as to an available SATA Data connector on the host computer motherboard.

Technical Support

StarTech.com's lifetime technical support is an integral part of our commitment to provide industry-leading solutions. If you ever need help with your product, visit www.startech.com/support and access our comprehensive selection of online tools, documentation, and downloads.

Warranty Information

This product is backed by a one-year warranty. In addition, StarTech.com warrants its products against defects in materials and workmanship for the periods noted, following the initial date of purchase. During this period, the products may be returned for repair, or replacement with equivalent products at our discretion. The warranty covers parts and labor costs only. StarTech.com does not warrant its products from defects or damages arising from misuse, abuse, alteration, or normal wear and tear.

Limitation of Liability

In no event shall the liability of StarTech.com Ltd. and StarTech.com USA LLP (or their officers, directors, employees or agents) for any damages (whether direct or indirect, special, punitive, incidental, consequential, or otherwise), loss of profits, loss of business, or any pecuniary loss, arising out of or related to the use of the product exceed the actual price paid for the product.

Some states do not allow the exclusion or limitation of incidental or consequential damages. If such laws apply, the limitations or exclusions contained in this statement may not apply to you.
