## Model #: P566-010

### 10-ft. HDMI to DVI Gold Digital Video Cable (HDMI-M / DVI-M)

#### Highlights

- Premium Double Shielded Digital Video Cable
- Gold plated connectors provide low-loss
- Bandwidth up to 5Gbps

#### Description

Tripp Lite's 10ft DVI - HDMI ( High Definition Multimedia Interface ) cable allows interconnection between digital display devices, such as DTV's ( Digital Television ), Plasma displays, LCD TV's, and projectors, to Digital source devices, such as Digital Set-Top boxes, DVD/DVD-R players, and AV receivers. HDMI DTV's will display video received from existing DVI-equipped products, and DVI-equipped TVs will display video from HDMI sources. HDMI technology uses a much more compact and user-friendly connector than the existing DVI connector. The HDMI specification handles higher-bandwidth, uncompressed video, and multi-channel digital audio, all in one neat cable solution. (DVI-HDMI cable supports video digital only).

#### Package Includes

- 10ft HDMI to DVI Gold Digital Video Cable - HDMI-M/DVI-M

#### Features

- Creates a pure digital connection between DVI-enabled HDTV display devices and HDMI-enabled digital video sources
- Gold plated connectors provide optimal signal transfer
- Premium Double-Shielded HDMI compliant cable protects against outside noise (EMI/RFI)
- Impedance matched twisted pair construction reduces cross-talk and interference

#### Specifications

| OVERVIEW             |                        |
|----------------------|------------------------|
| Intended Application | Connecting Peripherals |
| Cable Type           | HDMI                   |
