

Technical Data Sheet

<p>Algemeen</p> <p>Article number: 906023</p> <p>Description: Stegoband Geperforeerd</p>	
<p>Specifications</p> <p>Stegoband Type Perforated (21 mm x 10 m). Can be used as 21 mm, but it is also possible to use the small edges of 11 or 10 mm only.</p> <p>Color: White Temperature resistance: Max. 110°C for 60 minutes.</p> <p>Packing unit: Per roll in a dispenserbox. 24 rolls per carton.</p>	
<p>Remarks</p> <p>Designed specifically for masking jobs on hard to reach places, especially masking of corners will become much simpler.</p> <p>Stegoband Perforated is provided with a very fine perforation every 4 cm. Thanks to the perforation you can easily tear off the tape on the right length without any tooling's. Also it is very easy to mask (sharp) edges.</p> <p>The plastic part of this product consists of two widths of 10 and 11 mm. Together they make a wide edge of totally 21 mm, but is also possible to use one of the other edges.</p> <p>It is extremely easy to tear only a very small piece of Stegoband.</p>
