Remarks						
Colad® Masking Paper Classic has a good basic strength: the paper is easy to tear with the help of an Aprontaper Knife, but will not easy tear because of the handling of it.						
Perfect barrier properties in combination with the right absorption possibilities: paint will stick to the Masking Paper, but will not bleed through under normal conditions.						
Colad masking paper classic 40g is excellent to use for car repair purposes.						
For practical application of Colad Masking Paper Classic, several types of aprontapers are available.
